

CDSL *Infonline*

For Private Circulation Only

Message from the Chairman of CDSL

In December 2005, the BSE Sensex scaled an all time high of 9000 with the surge of Mutual fund and FII investments in the Indian Capital Markets. At CDSL, the buoyancy in the capital markets has reflected in substantial growth in its depository business. During the first 8 months of the current financial year, CDSL has opened over 4.23 lakh new demat accounts and 28 entities have received registration as CDSL

DPs. The total number of DPs registered with CDSL is now 297 and CDSL is poised to cross the 300 DP mark very shortly.

Shri Vijay V. Raut has been appointed as Managing Director and CEO of CDSL with effect from December 8, 2005. During his tenure as Executive Director, Shri Raut nurtured CDSL from a fledgling organization to a mature, vibrant depository. His tenure has seen a tremendous increase in CDSL's business in terms of securities admitted, Depository Participant (DP) registrations and settlement transactions.

Given the changing dynamics of the marketplace and the user requirements, we have taken various steps to enhance service levels. The quality of CDSL's services has been improved by simplifying procedures and effecting technological upgradations. CDSL has also substantially enhanced its hardware and software capabilities. Its internet facility 'easi' has gained in popularity with investors. An investor can now closely monitor his demat account on the internet with an updated valuation of his portfolio. We believe that our initiatives will significantly increase response times, which will empower investors to take informed investment decisions.

The recent policy measures taken by SEBI will make the holding of securities in demat form more cost effective for an investor. After waiving charges for credit of securities, account opening charges and custody/ISIN charges, SEBI has directed not to levy any charges on investors who wish to transfer their account from one DP/Depository to another. This would enable an investor to shift his demat account to a DP of his choice without incurring any transaction charges.

In response to a demand from our DPs to shift from an ad-valorem to a flat fee structure and consistent with CDSL's objective of providing economical demat services, the transaction charges payable by our DPs have been reduced to a flat fee of Rs.5/- per debit.

I take this opportunity to wish all Investors, Issuers, DPs and well wishers of CDSL a 'Merry Christmas and a Happy New Year.'

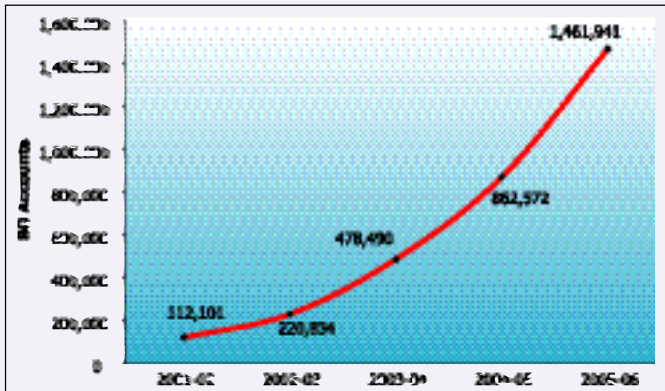

S S Thakur
Chairman

Value of Securities Dematerialised

During the last 5 years, the volume and value of securities under custody have increased by 582% and 1427% respectively.

(in Rs. Crs.)

CDSL Update

Shri Vijay V. Raut appointed MD & CEO of CDSL

Shri Vijay V. Raut has been appointed as the Managing Director and CEO of Central Depository Services (India) Limited (CDSL) with effect from December 8, 2005. Shri Raut brings to the office, a wealth of experience in banking and capital market-related entities encompassing banks, stock exchange, clearing house and depository.

Shri Raut commenced his career with a 20-year stint in banking – first with Central Bank of India and later with Bank of India. His on-going tryst with the capital markets began in October 1990 when he was deputed by Bank of India to BOI Shareholding Limited, the Clearing House of the BSE. Shri Raut then joined the Bombay Stock Exchange Limited (BSE) in November 1994 and where he functioned as General Manager in the Market Operations Department.

Shri Raut's inking with CDSL commenced in December 1999 when he was deputed by the BSE to CDSL to take charge of day-to-day operations. Advancement was but a matter of months as he was appointed Executive Director of CDSL in October, 2000 – the position he had held since. During his tenure as Executive Director, Shri Raut brought to bear his considerable personnel management skills and an aptitude to elicit exceptional performances and service levels from business partners. His tenure has seen a tremendous increase in CDSL's business in terms of securities admitted for demat, Depository Participant (DP) registrations and settlement transactions.

On his vision for the future, Shri Raut stated, "Over the years, CDSL has steadfastly pursued its stated stance of providing convenient, dependable and secure depository services to all classes of investors at a reasonable cost. This will continue to be our beacon. As a responsible and forward-looking market participant, we will welcome and implement all regulatory initiatives in our part of the securities market field. All our future endeavours, will be aimed at making the "demat experience" efficient and economical for all investors."

CDSL slashes transaction charges

CDSL has decided to reduce the transaction charges to its DPs from the existing ad valorem of minimum Rs. 5/- and maximum Rs. 12/- to a flat fee of Rs. 5/- per debit. This reduction will be effective from January 1, 2006.

SEBI circular No. MRD/DoP/Dep/Cir-22 /05 dated November 09, 2005 regarding Review of Dematerialisation Charges (Shifting of Accounts)

1. After detailed deliberations, as a first step, SEBI vide circular No. MRD/DoP/SE/Dep/Cir-4/2005 dated 28th January, 2005 rationalized the tariff structure with regard to account opening charges, custody charges and transaction charges towards the credit of securities.
2. Pursuant to the representations from the investor community and in order to encourage more investors to hold securities in demat mode, SEBI vide aforesaid circular made entry into the demat environment free except from applicable statutory charges.

3. It is observed that Depositories and Depository Participants (DPs) have been levying transaction charges for the transfer of securities from one DP to another DP although no account closure charges are levied by the depositories or depository participants. This implies that an investor, who is not satisfied with the services of a DP, can move his BO account to another DP, only at a cost. It is desirable that investors are freed of this cost.
4. In view of the above, it has been decided that with effect from January 09, 2006 (Monday), no charges shall be levied by a depository on DP and consequently, by a DP on a Beneficiary Owner (BO) when a BO transfers all the securities lying in his account to another branch of the same DP or to another DP of the same depository or another depository, provided the BO Account/s at transferee DP and at transferor DP are one and the same, i.e. identical in all respects. In case the BO Account at transferor DP is a joint account, the BO Account at transferee DP should also be a joint account in the same sequence of ownership.
5. The depositories/DPs are advised to put in place necessary systems and procedures to differentiate between an account closure transaction and a normal debit transaction on or before January 08, 2006 so as to avoid any problems in the live environment and ensure smooth implementation of the aforesaid decision.
6. The Depositories are advised to:-
 - a. Make amendments to the relevant bye-laws, rules and regulations for the implementation of the above decision immediately, as may be applicable/necessary;
 - b. Bring the provisions of this circular to the notice of the DPs of the Depositories and also to disseminate the same on the website; and
 - c. Communicate to SEBI the status of the implementation of the provisions of this circular in the Monthly Development Report.
7. This circular is being issued in exercise of the powers conferred by Section 11 (1) of Securities and Exchange Board of India Act, 1992 to protect the interest of investors in securities and to promote the development of, and to regulate, the securities market.

Extinguishment of shares by erstwhile Global Trust Bank (e-GTB)

After the amalgamation of Global Trust Bank (GTB) with Oriental Bank of Commerce (OBC), the ISIN of e-GTB was suspended with effect from August 31, 2004. SEBI has now vide its circular no. MRD/DoP/ARR/GTB/51132/05 dated October 05, 2005 laid down the procedure for extinguishing the shares of GTB. In line with the said circular, CDSL shall extinguish (i.e. Debit) the e-GTB shares in all the BO accounts on Thursday: December 08, 2005. The shares of e-GTB lying in Pledge will not be extinguished and BOs should unpledge the same for extinguishing the same.

Corporate Action and IPO

1. What is corporate action?

Distribution of dividend/ interest, issue of rights/ bonus shares, consolidation of holdings or issue of fresh securities by issuers is called corporate action whereby the benefits are credited to the BOs/ investors.

2. What are the various types of corporate action?

Corporate Actions can be classified in to the following two types:

- (i) Cash benefits, where the issuer declares currency benefits to its shareholders like dividends, interest, etc.
- (ii) Non-Cash benefits, where the issuer declares non-currency benefits like bonus, rights, etc.

3. How do I get to know about my cash and non-cash benefits declared by issuers?

Cash benefits are distributed directly by the issuer/ RTA to the BOs/investors as per their holdings as on book closure date as per the mandate instruction furnished by the BOs. Non-cash benefits are distributed through the depository where the investor has a demat account by means of electronic credit, and issue of physical share certificate if the investor does not have a demat account.

4. Who disburses the corporate action benefits to the BOs?

Whenever a company/issuer announces any corporate action such as rights, bonus, dividend etc., CDSL provides a list of investors holding securities (Ben Pos) of the Company as on the record date / book closure date.

5. If an investor/BO has securities in dematerialized form, can he receive bonus/ rights in the physical form?

If an investor wants the bonus/rights issue of shares in physical form then he can request the

company, provided the issuer gives an option for the same.

6. Can a BO, who has securities in his demat account, receive the bonus/rights in a different demat account?

Yes, a BO who has securities in his demat account can request the issuer/company to credit the corporate action benefit to a different demat account through prior intimation to the issuer/RTA, provided the issuer gives an option for the same.

7. What is an IPO?

When a company issues shares to the public for the first time through a prospectus is known as IPO, which stands for **Initial Public Offer**.

8. What care should a BO/investor take while applying for an IPO?

While applying for an IPO a BO/investor should write all the 16 digits of his demat account number. The first 8 digits are the DP ID and the next 8 digits are the Client ID.

For Example:

DP ID	Client ID
13025800	00126801

9. How many days does it take for allotment of shares in an IPO to be credited to the BO account?

The shares are allotted to the eligible investors within 15 days from the offer closing date.

10. How would an investor come to know if any securities have been allotted to him in an IPO?

If any securities are allotted to a particular BO in an IPO, the same is reflected in his demat account. A BO can get the details of the allotment directly from his DP or he can log into CDSL's website, www.cdslindia.com and can access his account information from easi if he is a registered user.
