

CDSL Infoline

For Private Circulation Only

At the outset, I wish you all a 'Happy and Prosperous New Year'. The capital markets continued to have another vigorous year with stock indices scaling new highs in May, and once again in November, 2006. There are indications that the strong GDP growth witnessed in the last three years may be sustainable in the years ahead. The impressive performance of our markets, in some measure, is a reflection of this

scenario. We, at CDSL, take pride in the contribution of the depository system in catalysing the growth of capital markets. Obviously, one just cannot imagine the huge surge in settlement volumes without the support of depository services.

During the year gone by, we have continued to streamline our systems, augment our processing capacity, introduce innovative products and enhance the DP network across country. In doing this, we have been steered by a simple philosophy – How can we equip our system users to enhance the quality of customer service.

Our DPs have been steadfast in their commitment and persistent in their efforts to enhance and spread CDSL's services. Today, CDSL has 348 DPs with a pan-Indian presence, who provide depository services to over 2.1 million investors.

I am also pleased to inform you that CDSL Ventures Ltd. (CVL), a wholly owned subsidiary of CDSL, has been mandated by the Mutual Fund Industry to handle the work of customer identification and centralised record keeping of KYC data and documents as required under the regulatory norms for investors in mutual funds. CVL will issue Mutual Fund Identification Number (MFID) to investors through designated Point of Service (POS) agencies after verification of the supporting documents.

We see the year ahead as one of attractive business opportunities. It is however necessary for all concerned to make all possible efforts to maintain the integrity and credibility of the depository system in the best interests of investors while striving to achieve higher business growth. Warm regards,

S. S. Thakur
Chairman

CDSL TODAY

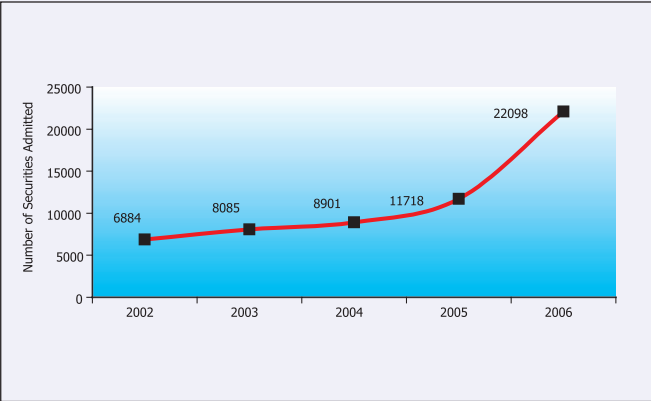

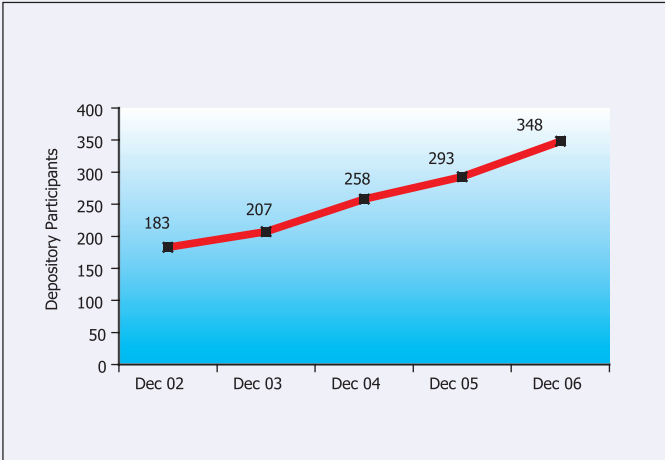

Beneficial Owners

During the last 12 months, the number of active BO accounts with CDSL has increased by 71% from 12.47 lakh on December 15, 2005 to 21.37 lakh on December 15, 2006.

Depository Participants

As on December 15, 2006, CDSL has 348 DPs offering live DP services from 613 locations in 121 cities/towns across the country.

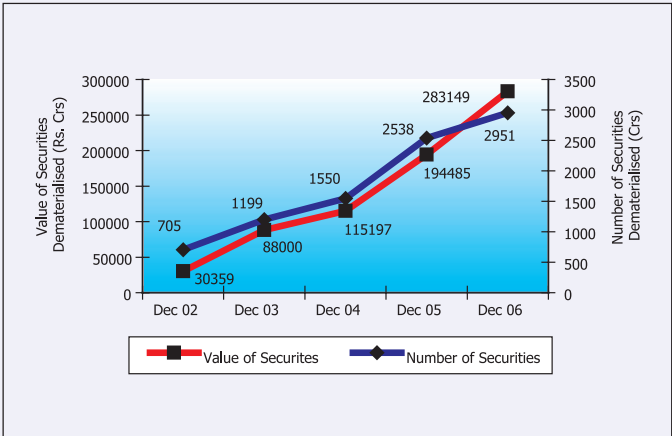

Securities Admitted

As on December 15, 2006, CDSL has admitted 22098 securities of which 5055 are equity, 4319 are debt instruments and 12724 are other securities, which include Government Securities, Commercial Papers, Certificates of Deposit and Units of Mutual Funds.

Securities Dematerialised

During the last 12 months, the volume and value of securities under custody have increased by 16% and 46% respectively.

What's New ?

Shri P S Reddy Joins CDSL as COO

Shri P.S.Reddy has taken over as the Chief Operating Officer of CDSL from November 8, 2006. Shri Reddy brings to the office, and to the 'demat' world, a reservoir of securities market-related experience. He has served with considerable distinction with the Bombay Stock Exchange Limited (BSE) during the last 19 years. Shri Reddy's tenure with BSE, saw him engaged in a diverse array of functions, including surveillance, investor grievances, listing and secondary market operations. Shri.P.S.Reddy will look after day-to-day operations, risk management, administration and compliance functions at CDSL.

Mutual Fund Identification Number (MIN)

CDSL Ventures Limited (CVL), a wholly owned subsidiary of CDSL, has been appointed by the Mutual Fund industry to handle the work of "Customer Profiling and Record Keeping" for Mutual Fund investors.

In order to obtain a MIN, an investor has to submit his proof of address and proof of identity along with the MIN application form to the Point of Service of CVL. CVL will then issue a Mutual Fund Identification Number (MIN) to the investor, who complies with the 'Know Your Customer' (KYC) norms.

Initially the MIN will be restricted to investments in excess of Rs.50,000/-. The benefits of MIN to investors are:

1. One MIN across all mutual funds, thereby, preventing duplication of the KYC process with each mutual fund, where a fresh investment is being made.
2. Change of address or other details can be effected across all mutual funds by making the necessary modifications with CVL.
3. A simplified application form for investment in mutual funds.

PMLA Seminars

The provisions of the Prevention of Money Laundering Act, 2002 (PMLA) mandates the appointment of a Principal Officer for DP operations. With a view to highlight the obligations of DPs and the role of their Principal Officer arising out of the PMLA, CDSL recently

conducted a series of seminars for DPs at **Mumbai, Delhi, Hyderabad, Chennai, Kolkata, Jaipur & Ahmedabad**. During these seminars, DPs were informed of the role of the Principal Officer and the process to report suspicious transactions to the Financial Intelligence Unit. The Seminar also covered various compliance requirements and other areas of compliance to be monitored by the DP during day-to-day operations.

Closure of DP Services of Sahara India Financial Corporation Limited

Sahara India Financial Corporation Limited, a DP of CDSL, has closed down its DP operations with effect from Wednesday, December 13, 2006. Investors are advised to take note of the same. **Queries, if any, may be addressed to CDSL Helpdesk on telephone no. (022) 2272-3333 (extn. 8624, 8639, 8662, 8663).**

Dissemination of DP Tariff Structure

In order to facilitate comparison of DP tariff / charges structure, SEBI vide their circular no. MRD/Dep/Cir-20/06 dated December 11, 2006 has directed that all DPs must submit their tariff / charges structure to CDSL latest by **30th April** every year and also inform CDSL about changes in the tariff / charges structure as and when they are effected.

This information will be disseminated on CDSL's website, which would enable investors to make a comparative analysis of the tariff / charges structure of various DPs thus enabling them to take an informed decision with regard to availing the services of a particular DP.

DP Branch Meets

During November - December 2006, certain DPs in association with CDSL conducted a series of investor awareness programmes for their customers and officials. These programmes helped in educating the investors on demat and the precautions to be taken while handling their accounts. Furthermore, branch officials of the DPs were updated on various operational issues and compliance requirements. DPs interested in holding such meets should contact Mr. Sunil Alvares or their respective relationship managers on telephone number 022-6634 1857.

Investor Awareness Programs

CDSL in association with Loksatta, a popular Marathi daily, in Mumbai and Maharashtra held an investor Awareness Program at The Ravindra Natya Mandir, Dadar, Mumbai on December 17, 2006. Mr. Chandrashekhar Thakur, Manager, CDSL, apart from explaining the various features and benefits of 'Demat' also explained and fielded questions from investors, on various other topics like IPOs and on-line trading. The program received overwhelming response and over 1100 investors attended the same. CDSL proposes to hold more such programs in the near future.
