Over the last one year, the demat volume and value have increased by 81.88% and 109.89% respectively.

Settlement

Over the last one year, the settlement volume has increased by 66.12% and 102.70% respectively.

Settlement	July 2003	July 2002
Quantity (Crore)	103	62
Value (Rs. in Crore)	6825	3367

What's New?

New Convenient Facility

In order to provide greater convenience to Depository Participants (DPs) while entering the 16 digit BO-ID in the CDSL system, CDSL has introduced changes in the "Demat", "Remat" and "BO Account Maintenance" modules. The BO-ID field has been split into two parts consisting of 8 digits each, i.e. the first 8 digits will indicate the "DP-ID" and next 8 digits will indicate the "Client-ID". The 8 digit DP-ID will be pre-populated and only the last digits of Client-ID would have to be entered, which will considerably reduce the DP's data entry efforts in the T+2 settlement scenario. This facility will also make it convenient for Beneficial Owners (BOs) to recollect their BO-IDs, as only the last 8 digits will now have to be provided to their DPs, in case of any queries.

UTI-Mastershare to be made open-ended

Unit Trust of India has decided to convert its close-ended Mastershare scheme to open-ended with effect from September 12, 2003. Existing investors can avail of the repurchase option without exit load from August 13, 2003 onwards. BOs should contact their DPs for any repurchase / redemption request.

Statement of account through 'easi' facility

"DPs are required to send statement of account to BOs at least once at the end of every month in respect of every account if there has been even a single transaction during the month and in any event once at the end of each financial year in respect of all other accounts". This clause will not be applicable for all such BOs who have registered for the easi facility and have also given a written consent to their DP, agreeing not to receive account statements in physical form. Since, the information available through easi to BOs is reproduced directly from CDSL's centralized database, the easi facility assures complete safety and accuracy of information to BOs. DPs will, however, send the statement of account on a quarterly basis to all such BOs registered for easi.

Printing mnemonic on stationery used for communications with investors

SEBI has vide their letter IGG/CMK/13341/2003 dated July 10, 2003 intimated that all market participants shall print mnemonic on their stationery and use it widely in their communications with investors. The sample of the mnemonic is given below:

Removal of pledge invocation acceptance charges:

CDSL has decided to drop the fees to its DPs for pledge invocation-acceptance with effect from 01-08-2003. Accordingly, the fees, charged by CDSL to its DPs for a Pledge / Unpledge / Invocation transaction will be as under:

Sr no.	Transaction	Charge in Rs.	Payable by
1.	Pledge acceptance	12/- per request	Only pledgor
2.	Unpledge acceptance	12/- per request	Only pledgor
3.	Pledge Invocation acceptance	Nil	NA

Pledge of Securities of NSE Members through CDSL

CDSL has received the approval of National Securities Clearing Corporation Limited (NSCCL) for pledging of securities pertaining to capital adequacy of NSE brokers, through CDSL. This approval coupled with CDSL's economical tariff structure will now permit and make it convenient for NSE brokers to route the pledge of such securities through CDSL.

Change of Address procedure for BOs:

At the time of change / modification of address of a BO, DPs obtain the following documents from the BO

1. Letter / account modification form
2. Proof of address

On obtaining the above documents, the DP verifies the signature of the BO(s), updates the address in the CDSL system and sends an intimation letter to the BO at the new address. As a matter of additional precaution

and safety, after updating the new address in the CDSL system, the DP will now send a communication to the BO, confirming change of address, at both the old and the new address.

Lock-out and suspension of work at AXC Computers Private Limited

AXC Computers Private Limited (AXC), (formerly known as

ABC Computers Private Limited) a Registrar and Transfer Agent (RTA), has declared a lockout and suspension of work. In view of the above, investors and DPs are requested not to generate any dematerialisation/ rematerialisation request for all client companies of AXC and not to send any documents to AXC till such time alternate arrangements are made by its client companies. The list of the client companies of AXC is as under.

Dematerialisation of Government Securities (G-Sec)

Many entities like Issuer companies, Provident Fund trusts and banks have significant investments in Government Securities (**G-Sec**). These investments may still be maintained in physical certificate form. As desired by the Reserve Bank of India (RBI), CDSL is vigorously performing its role in facilitating the conversion of physical certificates of **G-Secs** held by various organizations, into demat mode.

Presently, most of the G-Secs issued by the Central and State Governments are available for demat. The process of dematerialization of G-Secs takes around 8-10 days. Once the G-Secs are dematerialized, half-yearly interest and redemption amount is disbursed to the investor by CDSL. Holding G-Secs in demat mode will enable investors to transfer securities instantaneously to a counter-party buyer

having a demat account with CDSL.

Another of the immediate advantages in dematerializing the physical G-Sec certificates is that the half-yearly interest is paid by CDSL to almost all the holders of G-Secs on the due date of interest payment. CDSL has been offering early-morning delivery of the interest cheque, if it is of a value above Rs. 1 lakh, enabling encashment through high-value clearing.

Issuer companies and other entities are welcome to get their G-Secs dematerialized through CDSL.

For more details and clarifications, please contact Mr. C. S. Thakur on 9820389051 or send an e-mail message to preetir@cdslindia.com or chandrashekhart@cdslindia.com

Infoline Update

easi-electronic access to securities information

1. What is *easi*?

easi is a convenient, simple to operate facility, which allows Beneficial Owners (BOs) and Clearing Members (CMs) to access their demat account through an Internet enabled PC for obtaining information about their holdings and transactions, anywhere, 7 days a week, 24 hours a day, through CDSL's website www.cdslindia.com.

2. Why should I subscribe /register for the *easi* facility?

A BO/CM should register for *easi* as it allows him an anytime-anywhere access of the holdings and transactions in his demat account. Thus, a BO can, not only monitor his account but also does not require to approach his DP each time a statement of account is required. The portfolio valuation facility also saves valuable time for investors in looking up stock quotes daily. The almost real-time information available through *easi*, makes it very convenient for a BO to make effective decisions on his portfolio.

3. Can all BOs /CMs use this facility?

Yes, this facility is available to all BOs and CMs. However, a BO can avail of this facility only if the DP with whom he maintains his account is registered for this facility. A CM on the other hand can avail of this facility by directly registering with CDSL, even though his DP has not subscribed to the *easi* facility. The list of DPs who have subscribed for *easi* services is available in the 'What's New' section of CDSL's website www.cdslindia.com.

4. How easy is my *easi* registration?

Registering to *easi* is a very simple process:

1. Log into our website site www.cdslindia.com, enter your BO-ID and other details and print the registration form.
2. The printed registration form duly signed by all holders of the demat account should be submitted to your DP.
3. On verification of the details, your DP will activate your login for *easi* and send you the password at your specified e-mail ID.
4. With your login ID and password you can now access your demat account.

5. What facilities are available on *easi* for BOs?

A BO can use *easi* for:

- a. Viewing, downloading and printing of details of holdings and status of transactions on almost real time basis, anytime-anywhere.
- b. Obtaining the valuation of his holdings in his account as on the previous day closing price on BSE.
- c. To print / download the statement of account as and when required.

6. What facilities are available on *easi* for CMs?

All the facilities available to BOs are also available to CMs. *easi* also provides a convenient overdue report to CMs which facilitates them to monitor pay-in of securities. CMs can view the overdue status of pay-in instructions provided by clients and can also monitor the client level payout through *easi*.

CDSL's *easi* facility will keep you updated about your demat account status, in bare detail, at a time and place that you choose to access the information – keeping you in complete control. We are sure that demat transacting from now on will be an efficient and enjoyable experience.

Register now by logging on to our website www.cdslindia.com and experience the convenience of demat at your fingertips.
