## KYC STATUS THROUGH SMS

Earlier, the sales staff of intermediaries was not aware of the KYC status of their clients while procuring KYC related documents from them which delayed the account opening process. CDSL Ventures Limited (CVL) is pleased to announce a facility through which the KYC status of a client can be checked by an Intermediary using SMS. This will enable officials of Intermediaries to verify the KYC status of a client at the time of collecting the account opening documents. The administrator of any Intermediary registered with CVL-KRA shall have the rights to register users with their mobile numbers to avail of this facility. The registered users can thereafter check or fetch the KYC details of a client as under:

**Check KYC Status:** A KYC status inquiry can be made for a particular PAN across all KYC Registration Agencies (KRAs) and the appropriate status shall be provided.

**Fetch/Download KYC details:** KYC details of PAN present only in CVL will be downloaded to the registered user.

The response for each SMS request shall be on real time basis. To view the SMS formats and to know more about this facility, kindly refer to CVL communiqué no. 86 available under the Downloads menu of [www.cvlkra.com](http://www.cvlkra.com).
