### About CDS

Management Team

Contact us

*For Private Circulation Only*

*It has been well said that change is the only constant and we need to constantly plan for change. The capital markets are currently at a critical juncture. After witnessing a phenomenal growth in volumes over the past two years, we are now witnessing a drop in volumes due to the turbulence witnessed in the markets, in the recent past. Fortunately, CDS has fared better than the markets. While the average daily turnover on Stock Exchanges has fallen from about Rs. 14,000 crore in Feb. 2001 to Rs. 4,000 crore in April 2001, a drop of over 70%, the drop in CDS's volumes has been limited at around 35%.*

*Looking ahead, the Reserve Bank of India has given a further boost to the Depository by directing all Banks and Institutions to demat all their holdings by November 1, 2001. We at CDS are confident that this will give a further impetus to the admission of Government Securities and Debt instruments into the Depository.*

*The Government of India dematerialised and transferred a portion of its holdings in five Public Sector Units-Bharat Aluminium Company Ltd, SAIL Power Supply Company Ltd, Kochi Refineries Ltd, Chennai Petroleum Ltd and Bongaigoan Refineries Ltd through CDS. CDS has thus emerged as the preferred platform for carrying out the actual share transfer transactions by the Central Government.*

*In line with our constant endeavor to reach out to investors across the country, we now have 158 Depository Participants offering direct depository services in 72 cities spread across 132 locations in the country. These Depository Participants have live connectivity with CDS and are able to provide on-line information to beneficial owners. Similarly, the number of issuers' securities admitted into CDS has now increased to 2886. CDS also commenced the admission of debt instruments like debentures and bonds issued by various companies. CDS presently has 395 debt instruments of 22 issuer companies admitted for demat. All this would not have been possible without your continued support.*

*I would like to conclude by quoting from Pandit Shreeram Sharma Acharya's key to success :*

***"Irrepressible enthusiasm, immense courage, unwavering patience, enduring hardwork and facing up to adversity squarely under all circumstances, only can lead to a successful life."***

*Assuring you of our best services at all times.*

M.G.Damani  
Chairman and Managing Director

## What's new?

- ❖ The Our telephone numbers at CDS have changed to (022)2723333 and the fax numbers to (022)2723199/2722072. The new direct telephone numbers of Shri M G Damani, Chairman & Managing Director, CDS and Shri V V Raut, Executive Director, CDS are 2349009 and 2348008, respectively.
- ❖ The Stock Exchange, Mumbai (BSE) has directed all B2 group companies listed on the Exchange who have not signed agreements with both the depositories to sign the agreements and establish the required connectivity latest by May 31, 2001. Further, companies failing to do so would be shifted to the trade-to-trade window of the Exchange. This implies that all trades in the A, B1 and B2 groups on the BSE will in future be settled in the demat form only.
- ❖ CDS has terminated the operations of one of its Depository Participant, Century Consultants Ltd. (DP ID 17900-17905) with effect from 03-04-2001 in accordance with the CDS Bye-Laws. Based on the investor complaints, CDS had earlier deactivated their DP terminals from 20-03-2000, in accordance with the provisions of CDS Bye-Laws. The deactivation is solely intended to protect the interest of the investors who have opened demat accounts with CCL. Queries if any regarding the above issue may be addressed to Mr. Rahul Bhansali Tel. 2723333 (Extn 8335)
- ❖ The Nagar Urban Co-operative Bank Limited (NUCB) launched its Depository services at its Bank Road Branch in Ahmednagar, at a grand function held on April 27, 2001. Shri Arun Firodia, Chairman, Kinetic Group of Industries performed the inauguration. Shri Kantilal Oswal, Chairman, NUCB and Shri V.V.Raut, Executive Director, CDS were also present at the inauguration.
- ❖ In order to implement SEBI's directive bearing Ref. No. SMDRP/POLICY/CIR-05/2001 dated February 13, 2001- that Clearing Members (CM) are required to deliver the securities received from the CH/CC to their clients within 4 calendar days or 2 working days after the pay-out day. CDS had instructed DPs to open a separate account called Clearing Member Investor Securities Account (CISA A/c) for all CMs holding the CM Unified Settlement A/c or CM Clearing Member A/c.

The securities received in pay-out in the CM Unified Settlement A/c or CM Clearing Member A/c and not transferred to the respective client A/c within 4 calendar days or 2 working days, which ever is later, after the date of pay-out would be transferred to the CISA A/c.

The securities lying in the CISA A/c would attract a penalty at the rate of 6 basis point per week on the value of securities. The penalty so collected by the depositories shall be credited to a separate account with the depository and earmarked for defraying the expenses in connection with the investors' education and awareness programs conducted by the depository.

In keeping with the spirit of SEBI's resolve, CDS has commenced moving the securities from the CM Unified Settlement A/c or CM Clearing Member A/c to the CISA A/c.

- ❖ CDS in its ongoing program of investor education, participated in a Quality Improvement program organized by the Faculty of Management Studies, Banaras Hindu University (BHU). Dr. Y C Simhadri, Vice Chancellor, BHU and Prof. C Lal, Dean, BHU presided over the program on Marginal Costing & Breakeven Analysis. Shri M G Damani our Chairman & Managing Director inaugurated the seminar and delivered a lecture on new paradigms in financial management wherein CDS was depicted as a role model. Shri Damani also provided insights into the depository and the functioning of the capital market and the present scenario.
- ❖ Pursuant to the announcement of Hon'ble Finance Minister on the floor of Parliament that about 200 scrips would be traded in rolling settlement by July 2001. SEBI has decided vide its circular bearing serial number SMDRP/Policy/Cir- 23/2001 dated March 20, 2001 that:
  - i. All scrips, which are included in the ALBM/BLESS or MCFS in any stock exchange, will be traded ONLY in the compulsory rolling settlement on a nation wide basis i.e. on all the stock exchanges from July 2, 2001.
  - ii. In addition, if there is any scrip, which is included in the BSE 200 list, but not covered by the above list, will also be included in the compulsory rolling settlement on a nationwide basis.
- ❖ The Government of India dematerialised and transferred a portion of its holdings in five Public Sector Units-Bharat Aluminium Company Limited, SAIL Power Supply Company Ltd, Kochi Refineries Ltd, Chennai Petroleum Ltd and Bongaigoan Refineries Ltd through CDS. The Government of India had earlier dematerialised and transferred a portion of its holdings in Indian Oil Corporation, Gas Authority of India Limited and Oil and Natural Gas Corporation Limited as a part of its disinvestment programme in these entities. CDS has thus emerged as the preferred platform for carrying out the actual share transfer transactions by the GOI. CDS feels highly honoured by the confidence reposed by the Government of India in it.

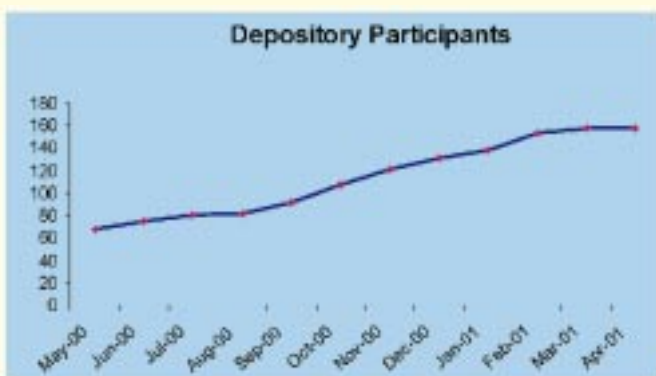

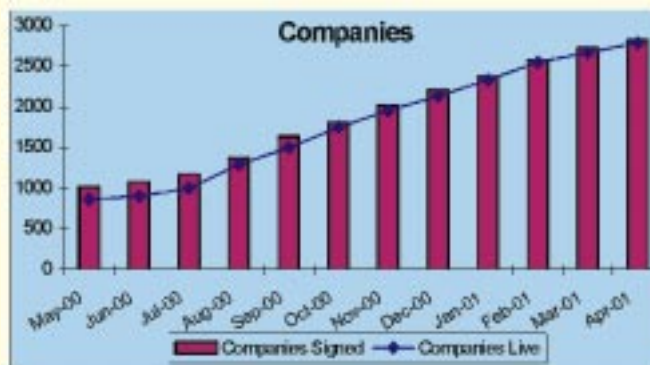

## CDS Today:

### COMPANIES:

As on April 30, 2001, CDS, has signed agreements with 2821 companies. Of these 2789 companies are available for demat services.
