WAIVER OF CHARGES IN RESPECT OF OPEN – ENDED MUTUAL FUND SCHEMES

In order to enable investors hold open ended mutual fund units in their demat accounts, CDSL has facilitated conversion of mutual funds units represented by Statement of Accounts (SOA) in demat form.

With a view to facilitate this process, CDSL is pleased to announce that it has decided to waive charges on transactions related to open ended mutual fund schemes till September 30, 2011.

SETTLEMENT OF MF UNITS UNDER LOCK – IN

CDSL is pleased to inform that the settlements of various "Equity Linked Saving Schemes" [ELSS] offered by various AMCs (Asset Management Companies) has been launched w.e.f. March 4, 2011.

As such schemes are under lock-in, Clearing Members (CMs) should ensure that credit of the ELSS Mutual Fund (MF) units is made to the appropriate investor as the units cannot be transferred from the credited account till the lock-in expiry date.

CMs should also avoid transfer of ELSS units to their beneficiary accounts as these lock-in units will be credited under lock-in and cannot be transferred till lock-in expiry.

SUCCESSFUL FACILITATION OF ELECTRONIC VOTING

CDSL Ventures Limited (CVL), a wholly owned subsidiary of Central Depository Services (India) Limited (CDSL) has successfully facilitated electronic Voting for the Postal Ballot resolutions of Jaiprakash Associates Limited, through its e-Voting Platform which concluded on 16th February, 2011. Over 500 investors voted and about 52% of the votes were

received electronically. Earlier, Sun Pharmaceutical Industries Limited had successfully conducted its voting for the Postal Ballot resolutions through this platform in Nov, 2010.

Many Companies have welcomed the initiative and have signed up for the e-Voting System for Corporates. The e-Voting System for Corporates was inaugurated on 17th November 2009 by Hon. Minister of Corporate Affairs, Shri. Salman Khurshid. The platform aims at reducing the administrative and storage costs associated with Postal Ballot while facilitating declaration of results immediately after the close of the voting. Additionally investors can cast their votes at their convenience from home / office till the last day.

MANDATORY USE OF SINGLE DOWNLOAD REPORT – DP57

With effect from June 01, 2011, it will be MANDATORY for DPs to use DP57 and other reports related to the above mentioned transactions will be discontinued. DPs should, therefore, incorporate DP57 report in their back office software.
