## CDSL today : (as of 31.09.2003)

<b>Security type</b>	<b>Sept 2003</b>	<b>Sept 2002</b>
Equity	4714	4494
Debt	2958	1818
Commercial Paper	66	81
Government Securities	104	—
Mutual Fund Units	21	8

### Securities Admitted

As on September 30, 2003, the equity of 4714 companies has been admitted into CDSL. Further, CDSL has also admitted 2958 debt instruments, like debentures and bonds, for dematerialisation.

### Depository Participants

As on September 30, 2003 CDSL has 205 DPs offering live depository services in 115 cities across 446 locations in the country.

	<b>Sept 2003</b>	<b>Sept 2002</b>
Depository Participants	205	178
Branch-DPs	252	223
Cities	115	106
Locations	446	389

<b>Securities in CDSL</b>	<b>Sept 2003</b>	<b>Sept 2002</b>
Quantity (Crore)	1114	630
Value (Rs. in Crore)	70793	29827

### Dematerialisation

Over the last one year, the demat volume and value have increased by 76.82 % and 137.34 % respectively.

### Settlement

Over the last one year, the settlement volume and value have increased by 325.62 % and 307.13 % respectively.

<b>Settlement</b>	<b>Sept 2003</b>	<b>Sept 2002</b>
Quantity (Crore)	87.85	20.64
Value (Rs. in Crore)	7424.63	1823.61

## What's New?

### CDSL Demat Account Number – A Shield against wrong transfers :

In the CDSL system, each account number is unique i.e. no other account with any of CDSL's DPs will have the same number. Therefore, if an investor is expecting credit of securities into his account from his broker or sub-broker or just about anyone, an investor can be sure that the securities will be credited to his account only. This is because the CDSL account number consists of 16 digits. While, the first 8 digits indicate the "DP-ID", the next 8 digits indicate the "Client-ID", for e.g. if the demat account number is : 13025800 00001234, then 13025800 forms the DP-Id, while 00001234 forms the Client-Id.

### How to write your CDSL demat account number in public issue forms :

While subscribing to a Public Issue (IPO), an accountholder is required to mention his demat account number in the IPO application form, if he desires to obtain credit of allotted securities in the dematerialised form. It is observed that in some cases, the IPO application form contains a 16-block format for filling in the CDSL demat account number. However, in case of some others, separate blocks are provided in the application form for giving details of **DP-Id** and **Client-Id**, thereby creating some confusion in the minds of the investor.

While mentioning the CDSL demat account number in the IPO application forms (in cases where separate blocks for giving details of DP-Id and client IDs are provided), the demat account number can be written in the following manner:

DP ID	<First 8 digits of the 16 digit BO ID>
Client ID	<Next 8 digits of the 16 digit BO ID>

E.g. If the demat account number is 13025800 00001234, the same can be written in the following manner on the IPO application form –

DP ID	13025800
Client ID	00001234

### Amendments To Securities And Exchange Board Of India - (Depositories And Participants) Regulations, 1996

SEBI has made certain amendments to its SEBI (Depositories and Participants) Regulations, 1996, vide its notification no. SO 1014(E), dated 02.09.2003. The amendments are given below:

- After the regulation 53, the following new regulations

shall be inserted, namely:

#### "53A. Manner of handling share registry work –

All matters relating to transfer of securities, maintenance of records of holders of securities, handling of physical securities and establishing connectivity with the depositories shall be handled and maintained at a single point i.e. either in-house by the issuer or by a Share Transfer Agent registered with the Board.

#### 53B. Redressal of investor grievances –

Every issuer or its agent or any person who is registered as an intermediary under this Act, shall redress the grievances of beneficial owners within thirty days of the date of receipt of the complaint and keep the depository informed about the number and nature of grievances redressed by it and the number of grievances pending before it."

#### 2. In regulation 54, sub-regulation (5) shall be substituted by the following sub-regulation, namely:

"54(5), Within 15 days of receipt of certificate of security from the participant the issuer shall confirm to the depository that securities comprised in the said certificate have been listed on the stock exchange or exchanges where the earlier issued securities are listed and shall also after due verification immediately mutilate and cancel the certificate of security and substitute in its record the name of the depository as the registered owner and shall send a certificate to this effect to the depository and to every stock exchange where the security is listed:

**Provided** that in case of unlisted companies the condition of listing on all the stock exchanges where earlier issued shares are listed, shall not be applicable."

#### 3. After regulation 55, the following new regulation shall be inserted, namely:

"55A, Audit – (a) Every issuer shall submit audit report on a quarterly basis, starting from September 30, 2003, to the concerned stock exchanges audited by a qualified Chartered Accountant or a practicing Company Secretary, for the purposes of reconciliation of the total issued capital, listed capital and capital held by depositories in dematerialized form, the details of changes in share capital during the quarter and the in-principle approval obtained by the issuer from all the stock exchanges where it is listed in respect of such further issued capital.

- The audit report under sub-regulation (1) shall also give the updated status of the register of members of the issuer and confirm that securities have been dematerialized as per requests within 21 days from the date of receipt of requests by the issuer and where the

dematerialization has not been effected within the said stipulated period, the report shall disclose the reasons for such delay.

The issuer shall immediately bring to the notice of the depositories and the stock exchanges, any difference observed in its issued, listed and the capital held by depositories in dematerialized form."

### Straight Through Processing (STP)

The shortening of settlement cycles to 'T+2' has made it necessary to automate the entire process of issuing contract notes and obtaining confirmation from fund managers and custodians. CDSL's STP initiative for this purpose is undergoing testing and is expected

to be launched shortly.

### easi to become easiest

CDSL is in the advanced stage of establishing a common platform for issuance of delivery instructions through its internet facility "**electronic access to securities information & execution of secure transactions**" - (**easiest**). The "**easiest**" facility will provide an anytime anywhere kind of freedom to investors to issue delivery instructions. Besides enabling them to meet the strict deadlines of delivery set under the T+2 regime, it will also obviate the need of their visiting DP offices to obtain instruction slips and to lodge them with the DP.

### Securities Market Awareness Campaign

In line with SEBI's '**Securities Market Awareness Campaign**' (SMAC) initiative to "empower the common investor through education", CDSL, in association with the Stock Exchange, Mumbai (BSE), has launched a series of SMAC programmes. CDSL will be conducting 48 such programmes in various cities/towns in Maharashtra. CDSL successfully conducted 10 SMAC programmes from September 26, 2003 to October 2, 2003 in 7 cities/towns in North-West Maharashtra (Nashik, Dhule, Jalgaon, Bhusawal, Aurangabad, Ahmednagar and Kopargaon). These programmes not only gave the investors insights about the depository system but also about the functioning of the Capital Market.

## Infoline Update

### easi-electronic access to securities information

#### 1. What is **easi**?

**easi** is a convenient, simple to operate facility, which allows Beneficial Owners (BOs) and Clearing Members (CMs) to access their demat account through an Internet enabled PC for obtaining information about their holdings and transactions, anywhere, 7 days a week, 24 hours a day, through CDSL's website [www.cdsindia.com](http://www.cdsindia.com).

#### 2. Why should I subscribe /register for the **easi** facility?

A BO/CM should register for **easi** as it allows him an anytime-anywhere access of the holdings and transactions in his demat account. Thus, a BO can, not only monitor his account but also does not require to approach his DP each time a statement of account is required. The portfolio valuation facility also saves valuable time for investors in looking up stock quotes daily. The almost real-time information available through **easi**, makes it very convenient for a BO to make effective decisions on his portfolio.

#### 3. Can all BOs /CMs use this facility?

Yes, this facility is available to all BOs and CMs. However, a BO can avail of this facility only if the DP with whom he maintains his account is registered for this facility. A CM on the other hand can avail of this facility by directly registering with CDSL, even though his DP has not subscribed to the **easi** facility. The list of DPs who have subscribed for **easi** services is available in the 'What's New' section of CDSL's website [www.cdsindia.com](http://www.cdsindia.com).

#### 4. How easy is my **easi** registration?

Registering to **easi** is a very simple process:

1. Log into our website site [www.cdsindia.com](http://www.cdsindia.com), enter your BO-ID and other details and print the registration form.
2. The printed registration form duly signed by all holders of the demat account should be submitted to your DP.
3. On verification of the details, your DP will activate your login for **easi** and the password will be sent at your specified e-mail ID.
4. With your login ID and password you can now access your demat account.

#### 5. What facilities are available on **easi** for BOs?

A BO can use **easi** for:

- a. Viewing, downloading and printing of details of holdings and status of transactions on almost real time basis, anytime-anywhere.
- b. Obtaining the valuation of his holdings in his account as on the previous day closing price on BSE.
- c. To print / download the statement of account as and when required.

#### 6. What facilities are available on **easi** for CMs?

All the facilities available to BOs are also available to CMs. **easi** also provides a convenient overdue report to CMs which facilitates them to monitor pay-in of securities. CMs can view the overdue status of pay-in instructions provided by clients and can also monitor the client level payout through **easi**.

CDSL's **easi** facility will keep you updated about your demat account status, in bare detail, at a time and place that you choose to access the information – keeping you in complete control. We are sure that demat transacting from now on will be an efficient and enjoyable experience.

**Register now by logging on to our website [www.cdsindia.com](http://www.cdsindia.com) and experience the convenience of demat at your fingertips.**
