## CDSL'S e-VOTING MOBILE APP (m-VOTING)

CDSL's e-Voting is an internet based system ([www.evotingindia.com](http://www.evotingindia.com)) through which shareholders can login and register their votes on company resolutions. The system processes and records votes automatically, which facilitates faster processing of voting results.

For convenience of shareholders, CDSL has launched "m-Voting"- a mobile app to facilitate e-Voting. m-Voting is designed with adaptive technology such that it fits in all Smart Phones/Screen sizes. The m-Voting app can be downloaded by shareholders on their Android, iOS and Windows based mobile users.

### STEPS FOR SHAREHOLDERS TO VOTE THROUGH m-Voting

- 1) Shareholders may login to the m-Voting App using their e-Voting credentials as provided in the notice of the company.
- 2) After entering the user id and password, shareholders will be directed to the EVSN (Electronic Voting Sequence Number) screen. Shareholders can select the EVSN to vote on a particular company.
- 3) Shareholders will be able to view their security holdings and the resolutions available for voting.
- 4) Shareholders can now select the relevant options i.e. Assent or Dissent for/against the resolutions on display.
- 5) Shareholders should click on submit and provide their confirmation to cast their votes.
- 6) Once submitted, votes will be automatically recorded and cannot be modified.
- 7) Shareholder may view his voting details till the end of the voting period of an EVSN.
- 8) m-Voting can also be used by shareholders at the AGM/EGM venue of companies who have availed of CDSL's venue voting facility. The shareholder has to click on the Venue option and enter the password as provided at the venue.
- 9) Shareholders may click on the Change Password option under Menu and change their password.
- 10) Shareholder can reset their password by entering their User Id and clicking on Forgot Password. Shareholder will then have to login as a new user and reset their password.
